## FRONTEND DEVELOPER

📞 0314-1030925 🎬 aabdulahad142@gmail.com 💻 [linkedin.com/in/aa-abdulahad](https://www.linkedin.com/in/aa-abdulahad) 🌐 Karachi

### SUMMARY

I am a Front-End Developer with a passion for creating responsive and user-friendly websites and web applications. With hands-on experience in modern web technologies, I focus on delivering high-quality, visually appealing experiences while optimizing performance. My collaborative nature and eagerness to learn help me continuously enhance user experiences and adopt new technologies.

### EXPERIENCE

#### Front End Developer

##### Fosphorus x BanoQabil

📅 10/2025 - Present 🌐 Karachi

A company focused on software development and innovative solutions

- Built responsive, high-performance web applications using React.js, Next.js, and TypeScript
- Delivered scalable, SEO-optimized websites following modern UI/UX principles
- Enhanced code quality and maintainability through structured, type-safe development practices
- Integrated RESTful APIs and AI-driven solutions to create dynamic, data-rich experiences
- Implemented advanced state management with Redux Toolkit and Zustand
